Margaret, in the future!
But wishes in sweet hope
you are very cute & you!
You are going for you!
Good luck are
have a lot of happiness
stay as you are
only forever change - for anybody!
you & I don't ever friends - always!
Hope wine friends
Love,
Dickie

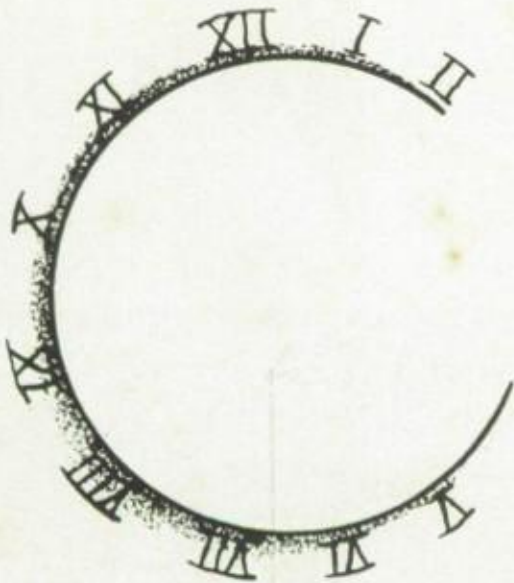

Margaret, I even
start to tell you
what this year has
meant to me; what you
never forget you, I never could
even if I wanted to. Sometimes I
wonder what will happen in the future
this summer, next fall, and then I
don't know what to say or do. Well, always
have the past to remember our first date, and maybe
the future to look forward to. It's really been
fun, hasn't it? Remember our first date? It poured
down rain and we got soaking wet. Try you ever
before to me after that I'll never know. I guess you're
special. There's just something about you. I don't it
change how we could of through
talking it off. Didn't we really needed
really you I guess. Someone to pull me through
and it must take alot of patience to
put up with you're somebody as "impossible"
as me. You're really something
and I deserve more than
me. I love you,
Donnie

Time —

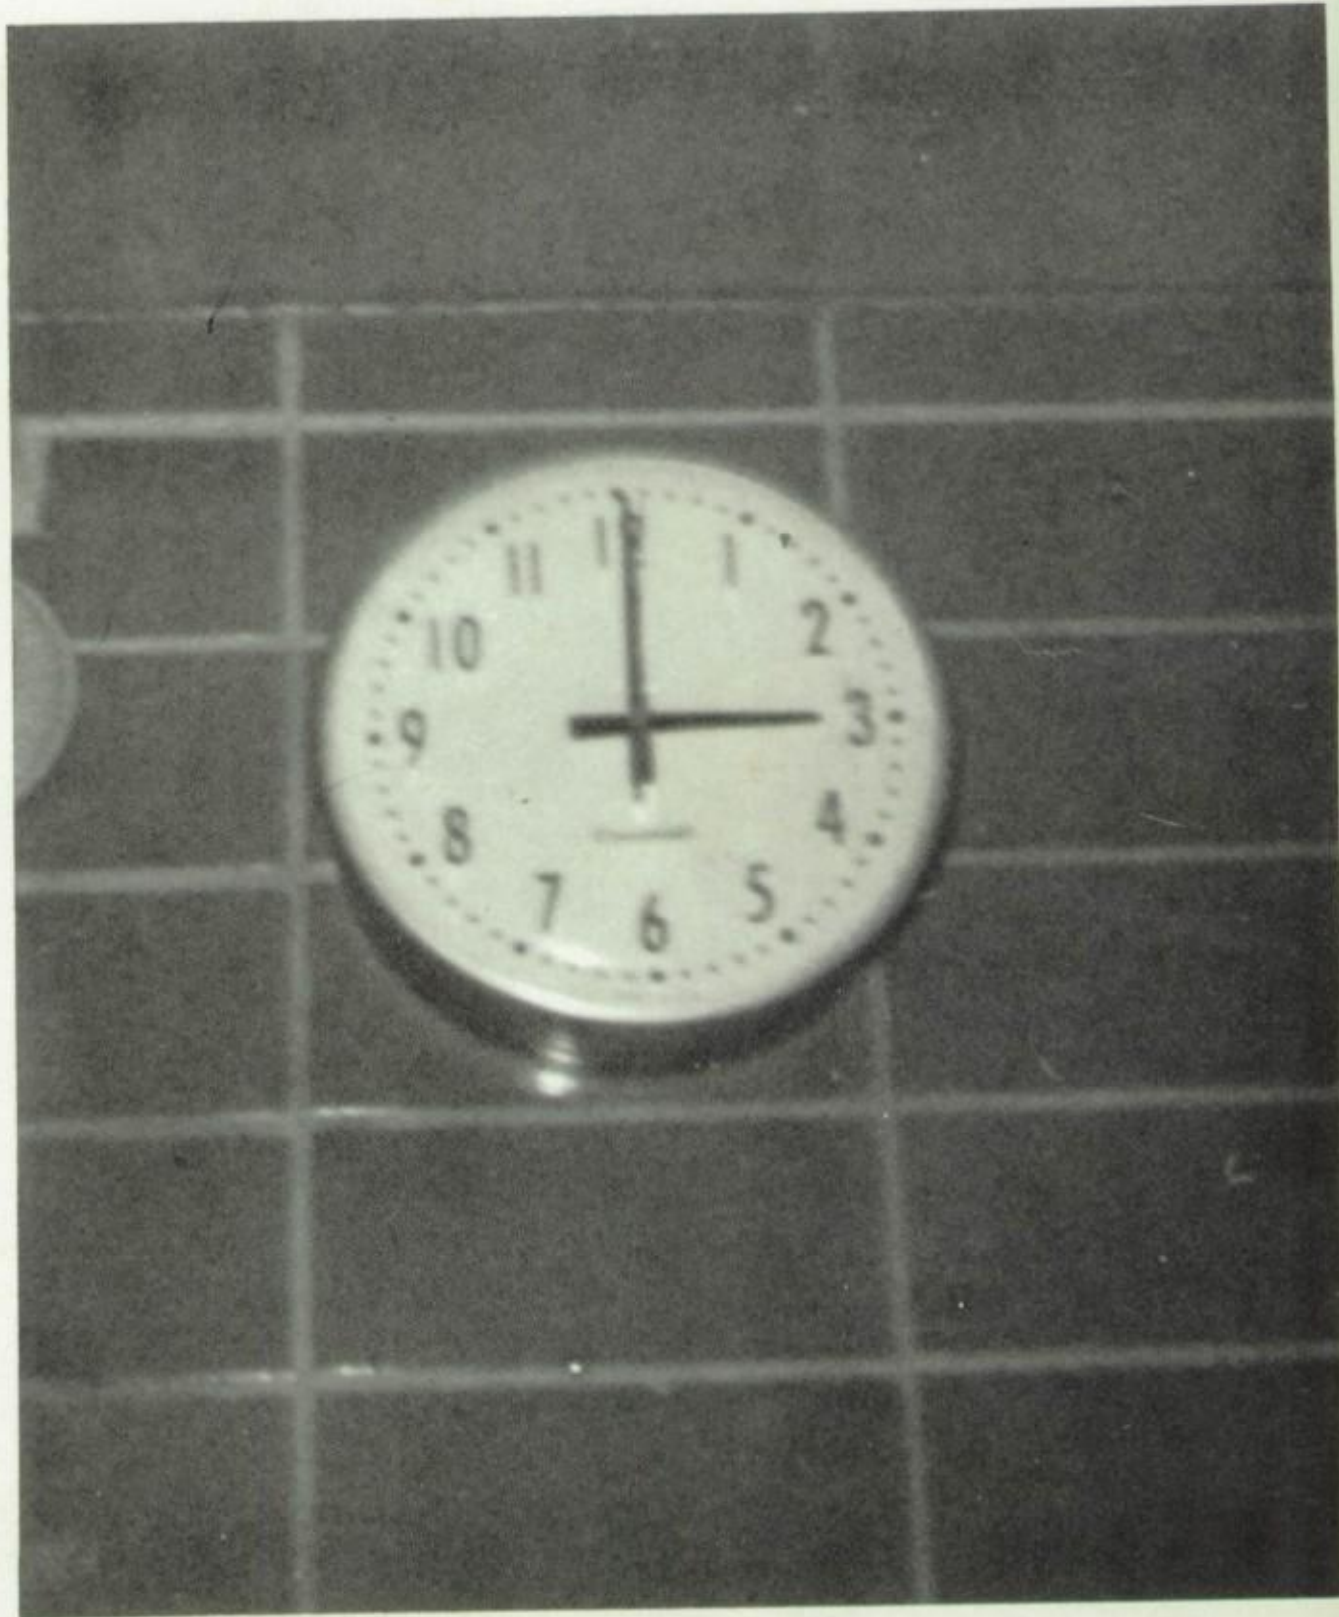

What does it mean to you?

Each of us probably says the word "Time" several times a day without ever stopping to think what it actually means. Without our knowing it, time has become an ever-present regulator of our lives. We know that it is time to go to school, time to study, time to play, time to be serious, and time to eat. We also know that "Time waits for no man," and that we should take advantage of the opportunities afforded us lest they not come again.

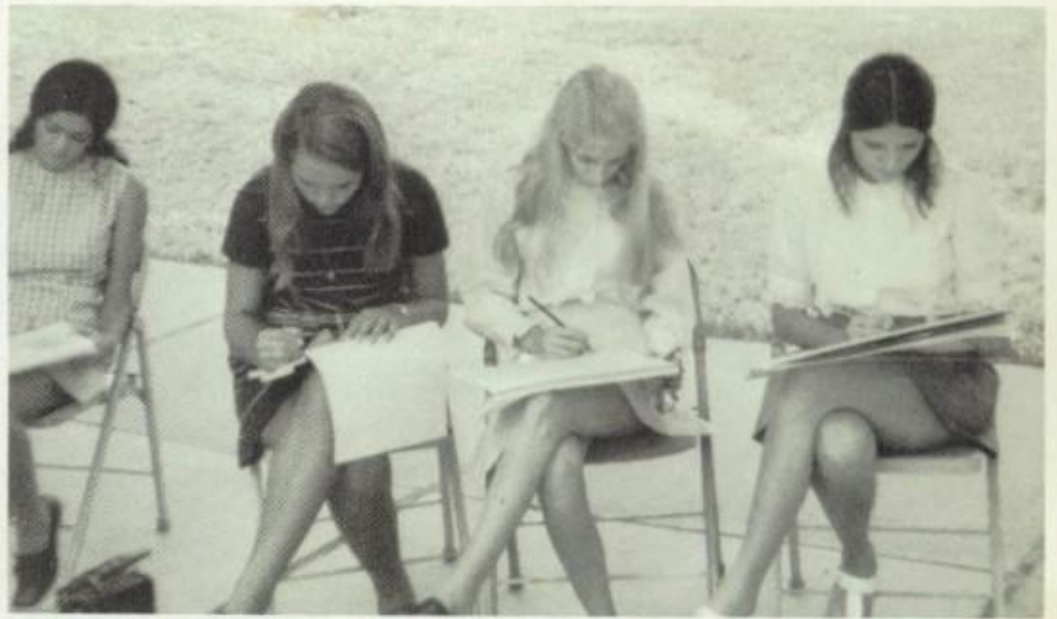

Failing to do the right thing at the right time can cost us very dearly. Older people will tell you that their lives would have been oh, so different, if they had only taken time to do what needed doing instead of fooling away their time.

In short, our life here on earth covers a very short span of time. Therefore, we should make the most of it, not scurry along as though in a race with time nor drift along so languidly that we are almost unconscious of life around us; but place our faith in God, asking his help to guide us, and regard each hour, each minute of each day as a time to do the best that we can and to be the happiest that we can.

A Time for Everything

A time to play -

A time to be serious -

A time to study -

A time to eat -

A time for change -

Dedication

To everything (one) there is a season,
and a time to every purpose under the
heaven.

Eccl. 3:1

We dedicate this book to a person who has found a place and a time in her heart for each and everyone of us. She is truly fulfilling her purpose on earth. As an individual she is devoted and untiring in her service to South Pike High School and its life. We, the Magnolian Staff of 1971, dedicate this annual to Mrs. George Leggett.

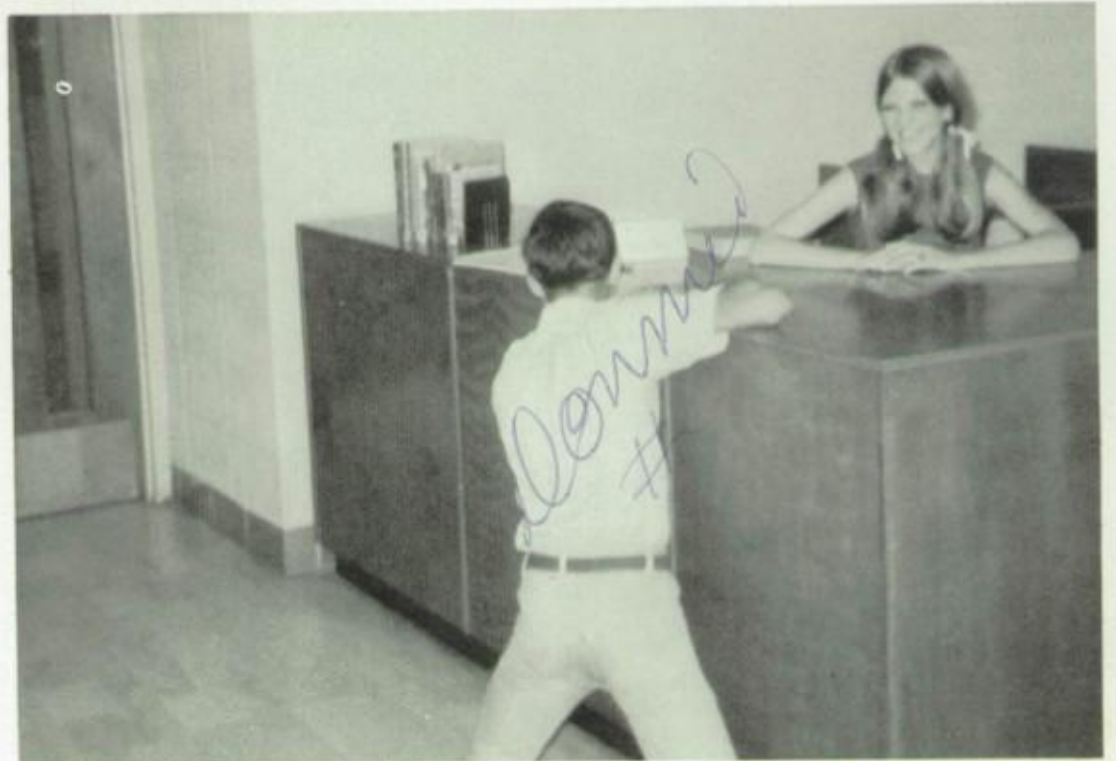

SOUTH PIKE HIGH SCHOOL

A Time to Reminisce

We always had friendly, good-looking football coaches.

Remember when Donnie could never seem to be able to stay on his feet.

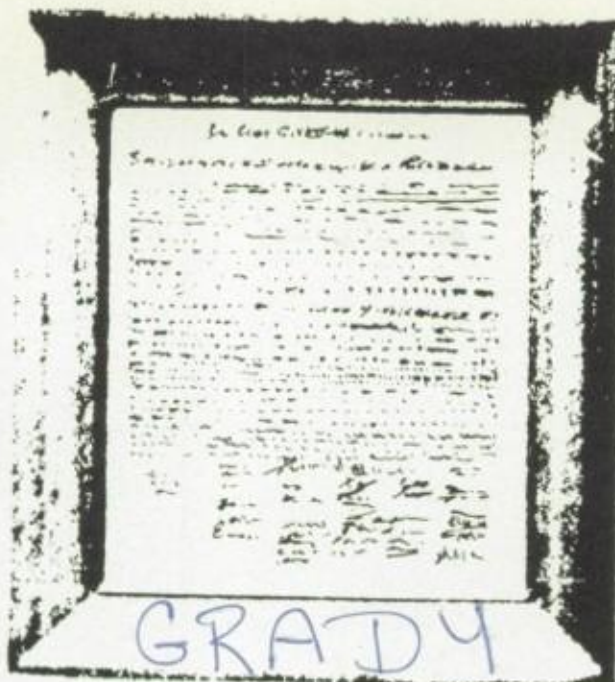

Christy had sweet looks for everybody.

Lanelle just couldn't get the hang of studying.

ADMINISTRATION

The Faculty . . .

Our "leading" faculty has the time for us. Much of their time is directed in making our lives better and more knowledgeable. They teach us to learn, and learn by teaching. The time of leadership begins in them.

The board and administration have been very busy this year in keeping our school going. The year has been one of many adjustments and many changes have had to take place.

They have worked together to enhance our fashion by permitting our girls to wear pants suits and also by restricting hemlines to four inches.

All in all, they have taken their time to care about us and work for us.

The '71 Magnolian Staff

The MAGNOLIAN staff worked extra hard this year to bring you a bigger and better annual. Also they made it possible to receive this book four months early.

Mrs. Edith McCon, the new advisor, sparked their work and kept them on the job. The staff was lucky to be made up of such good workers. The many department heads and their assistants were a big help to the editor-in-chief, Kathy Mixon, and business manager, Becky Hiatt.

Along with Mrs. McCon, the administration and the entire faculty helped the staff through their difficulties. Without the help of these people, this annual would not be possible.

South Pike Band

The South Pike Ed. Complex Band has been through many trials in the past year that never had to be faced before. One of the major changes was having two band directors instead of one. Mr. Calcote and Mr. Richardson have handled this problem very well. They have worked together and made our band something that we can be proud of. In spite of all the difficulties, the band performed at all of the home games. In Tyler town, they showed their true Eagle spirit by sitting in the rain.

There is also a "Stage Band." This band is made up of accomplished musicians selected by Mr. Calcote and Mr. Richardson. They have played for several private organizations and plan to attend the state band festival.

The 1970-71 Mighty

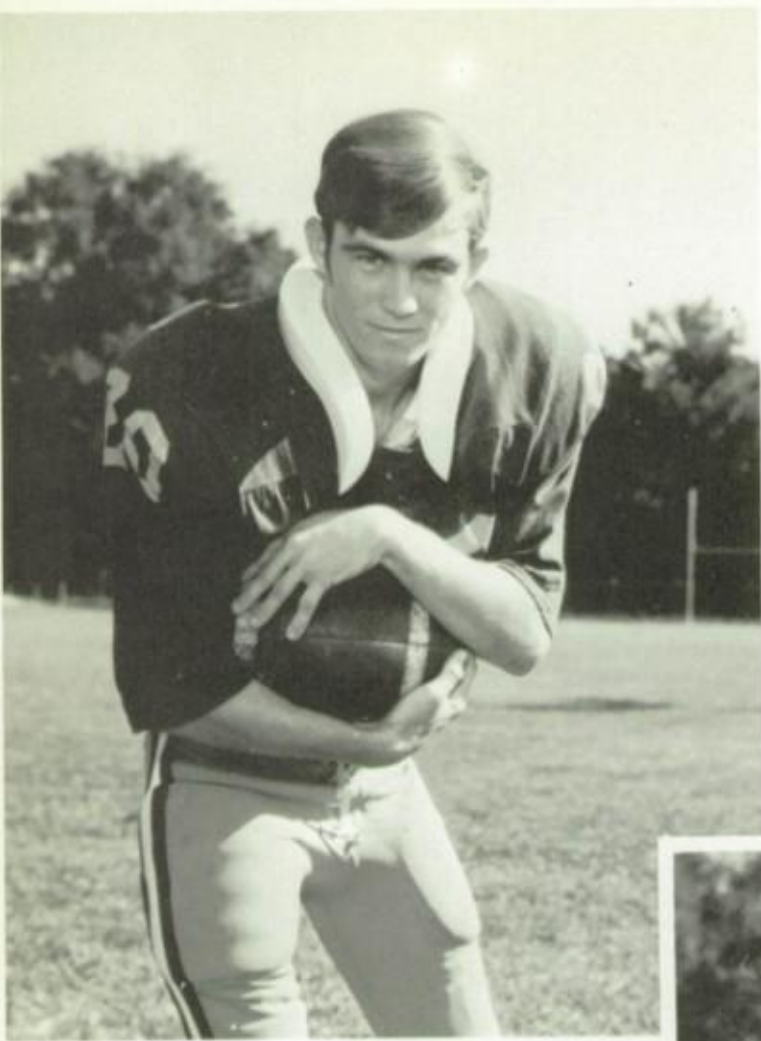

The 1970-71 Mighty Eagles sprinted to a 3-6 record under the passing of QB's Gary Lee, Bobby Lenoir, and Stuart Hemphill. Both of our top running backs, Tommy Fleming and Joe Lowery, will be returning as seniors next year and are expected to do well. James Brumfield was outstanding on his end of the passing attack as wide receiver. Under a completely new coaching staff and with a completely reorganized team, we still managed to defeat archrivals North Pike and Tylertown by convincing scores. Our losses, though more than we had expected at the beginning of the season, were close, many being decided by a margin of just a few points. Credit should be given to the defense for the fine job they did. Our Coaches, Taylor, Foreman, Williams, and Swenegen, hope to put it all together next year for an undefeated season.

Our boys, even though they have not had a winning season, stayed in most games until the final buzzer. There is nothing like a good boys game for excitement, especially if they are playing their game. What they lose in height to the opponent, they make up in hustle. Next year, we should have another fine team. To truly unite the team is our goal since it wins the games. The Eagles have faced many problems bravely and admirably. Their courage to keep on and not become discouraged is proof that they have the true EAGLE SPIRIT.

A tough coach for a tough team.

The school South Pike is known nationally and throughout the state because of the efforts of our girls basketball team. The South Pike Eaglettes with many hours of work and practice put together a warm-up exercise in which they exhibit the fine art of basketball handling. This drill took them on a trip to Pennsylvania, New Jersey, and New York. According to the girls, the people there will never forget the name South Pike. They played exhibition games for several student bodies to promote girls basketball there. The highlight, of course, was their appearance on the Mike Douglas Show where they showed the nation what they could do. Although there are no pictures in the yearbook, I am sure that the entire Student Body, especially the girls, will never forget this experience and the prestige that it brought to the school. Since Coach Nichols came to our school, our basketball teams have become something to be proud of.

The Mighty Bearcats

WE ARE THE BEARCATS, THE MIGHTY, MIGHTY, BEARCATS.
AND EVERYWHERE WE GO,
THE PEOPLE WANT TO KNOW,
WHO WE ARE,
WO WE TELL 'EM -

"WE ARE THE BEARCATS!!!"

*my Lindsay I wish!!
D.M.*

A TRIBUTE TO TWO BEARCATS WHO ARE NO LONGER WITH US -
KATHERYNE WILLIAMS and JACK McDANIEL

Forever Gone, Never Forgotten

These two pages are dedicated to the Bearcat
by the 1971 Graduating Class.

Down in south Mississippi there grows a ferocious creature - the Bearcat. BEARCATS come in all sizes, speeds, and amounts of ability but each has the same desire - to carry the fight to the opponent at all times with everything that he has. BEARCATS may be found blocking, tackling, running, passing, faking, and in general, creating havoc in the ranks of the opponent. BEARCATS are feared for their toughness and aggressiveness and are admired for their fortitude, determination, and desire. BEARCATS ask no quarter and give none, but they play the game as true sportsmen. Defeat before dishonor. BEARCATS are found in groups of eleven - a team. there are times when an individual BEARCAT stands in the spotlight, but he knows that he is there because his teammates did their part and more. Little boys idolize them; fathers are proud of them and live again in them; mothers and girls fuss over them; and coaches need them. BEARCATS may be outscored but never beaten; overpowered but never outfought; outran but never outhustled. BEARCATS are the young men who wear the PURPLE and GOLD. They begin as boys; time and teamwork make men of them. BEARCATS actively play for a short time, but once the fighting spirit is kindled, it never dies.

When the going gets rough and things look bad, When the crowd gets restless and quiet, When the Coach gets worried - never doubt, Just look around: There will be a BEARCAT with this look on his face: "Send me in, Coach."

Fight Song

Bearcats, we're backing you through loss or victory. Bearcats, we're backing you what'ere the score may be. With you our loyalty goes so fight and win tonight. For the South Pike High School Student Body, Fight, team, fight.

MASCOT: BEARCAT
COLORS: PURPLE and GOLD
SCHOOL: SOUTH PIKE HIGH

TRACES OF OUR BEARCATS

What though the Bearcat, which was once so right,
be now forever taken from our sight.
Though nothing can bring back the moment of victory,
the agony of defeat,
We will forget not, only find strength in what remains behind.

 It's been a pretty good year, huh? Remember that fine hayride when it rained and rained & you had so many tangles in your hair? A night to remember..... And don't ever forget that I was the best fence jumper in SPH? Remember those fine want-ad pictures? And don't ever forget "Robo," and tantalizing Fats. When you & Donnie get married, let me be the flower girl, OK? ~~OK?~~
